### President's Message

Each year in September there usually is excitement in the air as we as Optimists look forward to October and the start of a new Optimist year with new leadership. This year Bart and his team of officers and directors face many challenges some of which are unprecedented. As I write this Hurricane Laura is striking the gulf coast, wildfires burn across the western states, racial tension is at a new high in our country and of course we all still face the challenges of COVID-19. The Sauk Prairie Optimists will continue to discuss and act on the challenges we face while at the same time serve the youth of our community. Now is a good time for each of us to pull out the Optimist Creed and renew the pledge we made when we joined the club to lead our lives using this creed as our guide.
